Protector of Freedom

As many of you may recall, our first USS Von Steuben SSBN-632 reunion was held on February 24-27, 1994 at the Radisson Hotel Charleston, SC around the time of deactivation of the ship prior to its decommissioning. The ceremony was conducted at Pier Delta in Charleston Naval, and we are delighted once again 17 yrs later to return to the same location!

Without a doubt, the reunion was a highly memorable event as officers and crew brought together shipmates throughout the US to celebrate memorable experiences shared by men over a period of 30 years. We look forward to preserving the memory and history of our fine ship and will make every reasonable effort to locate all ship's personnel in order to keep in touch with one another by newsletters, phone calls, or reunions such as this.
